# ABOUT US

Souare Group was **formed for International Trade and Commerce** focusing on the **market opportunities** available in developing West African countries and **capitalizing on the supply** from the vast manufacturing industries in the Far East, South East Asia and South Asia. For the last 5 years, the Souare Group had been trading in this regions focusing on the following categories of goods and services:

Agro Food Supplies  
 Fast Moving Consumer Goods  
 Machinery and Equipment  
 Building Material Supplies

In recent years and owing to our strong relationship with reputable business conglomerates, our scope had widened to include project consultancy services that can **bring value** to our clients, private or governments.

# OUR VISION

“To bring positive change to the lives of peoples and communities through innovative solutions” in the areas of:

Commerce and Trade

- ▣ Global Sourcing
- ▣ Retail Supplies
- ▣ Distribution

Consultancy

- ▣ Infra-structure
- ▣ Project Management
- ▣ Brand Marketing
- ▣ Government Advisory
- ▣ Investment Funding

People Development

- ▣ Job Opportunity
- ▣ Skills Development

## OUR BUSINESS

RETAIL  
SUPPLIES

DISTRIBUTION

GLOBAL SOURCING

- **COMMERCE AND TRADE**

Souare Group is on a **constant look out for goods and services** that can be **relevant and beneficial** to the countries into which we **venture for business**. Where possible, we are directly involved in trade.

In some countries, our involvement include services such as **Global Sourcing** for clients looking for supply of finished goods and commodities. We also engage in **Business Matching** activities linking two or more companies for negotiations on cooperation.

In this light, we have the capability to work with relevant Government agencies to organize **Trade Missions**.

### SALE OF USED CARS

On a special project basis, we have been asked by our client to help market Used Nissan cars – Grand Livina. (300 units). This is a mid-size 7-seater MPV, designed and engineering in Japan.

The Nissan Grand Livina is powered by a 1.8L MR18DE engine. It comes with a choice of 6 speed manual transmission or a 4 speed automatic transmission. These are left hand drive vehicles with very low mileage.

Current condition is in CKD form. They are 2012 models and shall be assembled and sold as used.

### SALE OF NEW CITY BUSES

SQUARE Group has access to market and sell new assembled buses ideal for city manoeuvring. The Alpha M8 is a 28 seater capacity bus that offers comfort in intra-city or inter city travel. It is air-conditioned and offers a rear luggage compartment (approx. 2800 litres).

ALPHA M8 (RHS & LHS)

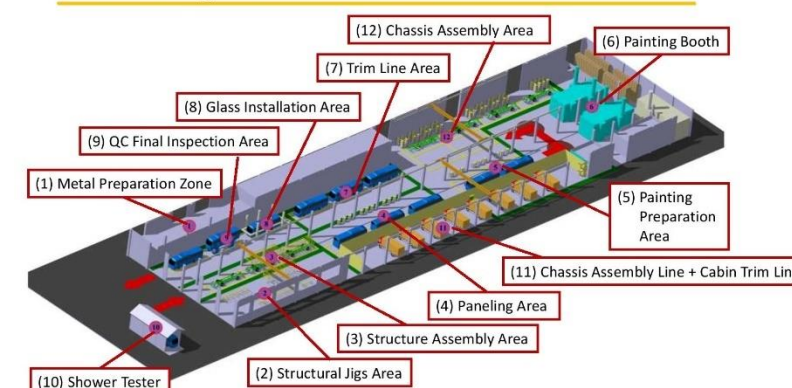

We also have other bigger seating capacity buses available of varying style and comfort. Airport Shuttle buses are also available for order.

Together with the supplier, we are also looking for interested parties for Joint Venture assembly of buses in West Africa.
